I am writing to express my strong interest in a First Officer position with your esteemed airline. As a commercially licensed pilot holding dual CPL/IR certifications from both CAA Pakistan and CAA Philippines, with over 1,246 total flight hours and extensive multi-engine experience, I am confident I can contribute immediately to your flight operations team.

I am deeply passionate about aviation and committed to upholding the highest standards of safety and professionalism. I am willing to self-fund type rating expenses and am ready to bring my technical expertise, discipline, and dedication to your airline.

I would welcome the opportunity to discuss how my qualifications align with your requirements.
